Scus of a Fire.

At 10 o'clock yesterday forenoon fire broke out in the house of Frederick Sorg, in the East end, in the kitchen. The family put it out with but little loss.

Smoke filled a room over Franzell's hardware store, and caused some excitement, but it was found to issue from an old stove pipe hole.

Huebel-Schultz.

The marriage of two prominent young people of the South Side occurred last night. The groom was the well-known and popular South Side merchant, R. J. Huebel, and the bride, Miss Minnie Schultz, the accomplished daughter of A. J. Schultz, the Jacob street photographer. The ceremony took place at the home of the bride, 3643 Jacob street, and was performed by Rev. C. M. Alford, of the Third Presbyterian church. There was a number of the friends of the contracting parties present. The newly married couple have the best wishes of all. They will go to house-keeping in a few weeks.

The A. O. U. W. Trip to Moundsville.

Arrangements have been about completed for the fraternal visit of the Wheeling lodges of the above order to the Moundsville lodge. It is expected that about one hundred of the members will go down on Monday evening, representing Welcome, LaBelle, Hermann and Benwood lodges. The special train will leave about 7 o'clock. All who have not given in their names yet are requested to do so at once to William F. Weir, the financial secretary of Welcome lodge. Moundsville lodge is making preparations to give the Wheeling brethren a royal reception when they go down, and no doubt the affair will prove to be both pleasant and profitable to the participants.

Lots of Weddings.

Marriage licenses were yesterday issued by Clerk Hook to the following parties:
William H. Porter, aged 50, of Washington county, Pa., and Estella Richardson, aged 30, of Wheeling.
Jacob Faber, aged 40, and Annie C. Keil, aged 27, both of Ohio county.
John W. Johnson, aged 22, and Eliza Thoenner, aged 23, both of Wheeling.
David C. Heft, aged 21, of Missouri, and Susan M. Caldwell, aged 20, of Ohio.
Rudolph Huebel, aged 24, and Minnie M. Schultz, aged 23, both of Wheeling.
Frank W. Blend, aged 24, and Annie E. Heinlein, aged 23, both of Ohio county.
Henry Stoetzer, aged 23, and Sophia Hoffmann, aged 19, both of Wheeling.

All in one Republican Club.

The Young Men's Republican club recently formed by the members of the Escort club, at a meeting held last night at Lutz's hall, perfected a dissolution. This action was in accordance with the similar action taken Tuesday night by the club formed out of the Tariff Champions, a committee from each organization having met together and agreed that the two clubs disband, and that one permanent club be then formed.

At the meeting last night a resolution was passed urging that all the members attend the big meeting to be held Friday night, and join the new club.

All Republicans, whether members of any club or not, are requested to attend Friday night's meeting. It looks as though the club that will come into existence then, will be the largest political organization ever known in Ohio county.

Transfers Recorded.

Clerk Hook yesterday admitted to record transfers of real estate as follows:

November 22, by Amelia Jaeger to Joseph Hasenauer, for \$2,000, lot 71 on the east side of Main street, above Second.

November 21, by W. C. Beans and wife to Harry L. McKown, for \$2,500, a lot on the east side of South Broadway, Island.

November 15, by Frederick Schwertfeger and wife to Cleona, wife of Frank E. McCoy, for \$4,800, a lot on the southwest corner of Virginia and South York streets.

November 10, by T. J. Hugas and John A. Howard, special commissioners, to Louis Ambrecht, for \$2,175, the north half of lot 14 in square 17 in Sprigg & Ritchie's addition No. 1 to the city of Wheeling.

In Olden Times

people overlooked the importance of permanently beneficial effects and were satisfied with transient action, but now that it is generally known that Syrup of Figs will permanently cure habitual constipation, well informed people will not buy other laxatives, which act for a time, but finally injure the system.

DEATH OF EMMET DELOE.

A Well Known Printer and Old Soldier Passes Away Suddenly.

About half past twelve yesterday J. Emmet Deloe died at his residence on the Island, aged forty-eight. Though he had been unwell for a long time, his illness did not take a serious turn till three days ago, since which time he has been confined to his bed, with no hopes of recovery.

Mr. Deloe was an old and well known printer, respected by all who knew him for his many excellent qualities. He was born in Wheeling and lived here the greater part of his life. He served three years in the Union army, and was a member of Holiday Post, G. A. R. After his return from the army he founded the Tyler county Star, at Middlebourne, and ran it for several years. He has since been employed as a compositor on the INTELLIGENCER and other papers. He leaves a widow, one son, David, secretary of the Typographical union, and a daughter, Miss Janie.

It was his wish that he might be buried by his old comrades of the army, and the funeral will take place Friday afternoon, under the auspices of Holiday Post, whose members cordially request all other old soldiers to unite with them in paying the last tribute to an honored veteran.

Cases Set Yesterday.

The dockets were called in both sides of the circuit court yesterday. The Frank Church murder case was set for November 30. Luther Hess and John Devinyne, indicted for robbery, will have their hearing December 2. Elsie Gray, for obtaining money under false pretenses, will be heard December 6; John Inkmar, for grand larceny, has his hearing December 7. The case of Robert Belleville, for grand larceny, is set for December 8, and that of Walter Young, for grand larceny, for December 7; Owen Sullivan, for misdemeanor, will have his hearing November 26.

Charles Miller, indicted for felony at a former term of court, appeared and pled guilty. Judge Paul sentenced him to seven months' confinement in jail, giving him credit for six months he has been there. The case of Charles Rice, indicted for misdemeanor, was nolleed, and that of Mary Hughes, for renting a house to be used as a house of ill-fame, was stricken from the docket, the defendant being dead.

For Charity's Sake.

On December 5 Rev. Father Sheedy, of Pittsburgh, a famous divine and eloquent orator, will deliver a lecture in St. Joseph's Cathedral for the benefit of the Society of St. Vincent de Paul. The lecture will be well worth hearing, and the object is worthy of the favor of every person in Wheeling. It should net a good round sum for this praiseworthy charity.

HANDSOME is that handsome does," and if Hood's Sarsaparilla doesn't do handsomely then nothing does. Have you ever tried it?

Money for Sale.

Congress at its last session, voted an appropriation to the World's Fair. It directed that the appropriation should be paid in money made especially for this purpose, and should be composed of five millions of silver half dollars, to be coined at the mint, with a special design that should commemorate the four hundredth anniversary of the discovery of America by Columbus. The World's Fair authorities are now about to receive these coins from the United States mint, which are offered for sale to the people at the uniform price of \$1 each. The advance demand has been great. Nearly one thousand banks have sent in orders for from fifty to five thousand coins at \$1 a piece.

When this lot of Souvenir coins is issued, there will be no more made, and millions who expect to get them will be disappointed. The World's Fair authorities therefore make public announcement of these facts, and urge the people everywhere to subscribe immediately for these coins. All banks are authorized to receive subscriptions and deposits. Persons who cannot conveniently subscribe in this way may remit direct to the Treasurer of the World's Columbian Exposition, Chicago, sending \$1 for each coin desired, with instructions how they shall be shipped. All the money received from the sale of these coins is devoted to World's Columbian Exposition purposes. Subscribers to these coins will not only be helping the great World's Fair, but will also secure national heirlooms that must grow in historic and intrinsic value as the years pass by.
